

We will provide the services and benefits described in this Policy:

- during the Period of Insurance
- for the Insured Vehicle
- within the Geographical Limits
- following payment of the premium
- based on the details You have supplied and subject to the following terms, conditions and exclusions, together with any applicable endorsements.

You should read all of Your documents carefully. If You are unsure whether something is covered or excluded, please contact the company who sold You this Policy.

This policy is underwritten by Astrenska Insurance Limited, Cutlers Exchange, 123 Houndsditch, London, EC3A 7BU

This insurance is effected in England and is subject to the Laws of England and Wales.

To ensure We are consistent in providing Our customers with quality service, We may record Your telephone call.

Astrenska Insurance Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services number 202846).

Fair presentation of risk

You must make a fair presentation of the risk which you wish to insure with us. This condition applies before both the start and renewal of your policy, and also if any changes are required during the period of insurance.

Changes in risk

You must tell us straight away if anything you have already told us changes or if there is any new information that increases the risk of any loss insured under your policy.

We do not have to accept any request to make changes to your policy and your policy will come to an end from the date of the change unless we agree in writing to accept an alteration. If we accept any alteration to your policy, an increase in the premium or different terms or conditions of cover may be required by us.

IMPORTANT VEHICLE HEALTH CHECK

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer’s specifications, especially when preparing it for a Trip abroad.

Will a routine service fall due before the end of Your intended Trip? Or, are there any parts on Your vehicle that You are aware may need replacing before the end of Your Trip? If so, You should have Your vehicle serviced at least 10 days before Your Trip to allow sufficient time to carry out any repairs necessary. Don’t forget that repairs abroad will disrupt Your Trip, may not be practicable within Your travel timescale, and could cost You significantly more than in the UK.

The benefit under **Part B – European Motoring Assistance, Cover Prior to Departure Section 6** – will not apply if You leave any such work until the final 10 days.

Keep proof of regular servicing in Your vehicle, with Your handbook or travel documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended Trip, You will have to pay all the costs arising from Our intervention.
